PART I

CHAPTER I — INTRODUCTION

GENERAL.

During the year 1944/45 the war continued to dominate the affairs of the Manipur State. The Japanese having been cleared from State territory, Imphal became an important base for the further advance of our armies into Burma. Hundreds of thousands of troops poured into the area and the resources of the State were strained to their uttermost in providing supplies to the Local Purchase organisations and labour for Military works. The circulation of money increased to an extent never dreamt of in Manipur and prices continued at an abnormally inflated level.

The army requirements of accommodation led to over 40,000 houses being requisitioned and the provision of accommodation for the families ejected produced a serious problem.

The main object of the administration throughout the year was to bring some order out of the chaos which followed on the events of the preceding year with the Japanese invasion and the siege of Imphal.

RULING FAMILY.

Throughout the year H. H. the Maharaja was on tour for one month and five days, visiting Palel, Mayang Imphal, Thanga, Komlakhong, Keibul Lamjao, Papan, Sugunu, Chairen and Moirang.

The second Rani gave birth to a daughter on Nov. 26th, 1944.

On December 12th, 1944, having just returned from the Chamber of Princes at New Delhi, His Highness attended the Investiture Ceremony at the H. Q., 14th Army, held by H. E. the Viceroy and was granted an interview by His Excellency.

Among distinguished visitors to the State were His Excellency the Governor of Assam who came in June of 1945 and H. H. the Maharaja of Jaipur who stayed with H. H. the Maharaja in the previous March.

CHAPTER II—ADMINISTRATION.

GENERAL ADMINISTRATION.

During the year under report Mr. Lydall, I. C. S., of the Indian Political Service, was President of the Manipur State Darbar. Sjt. H. Birahari Singh held the Post of Assistant P. M. S. D. (State Office) throughout the year.

The Administrative Darbar held 36 meetings. A list of British Indian acts, rules and ordinances introduced in the State between 1-7-41 and 30-6-45 is given in Appendix LIII and that of high State Officials in Appendix I.

LAND REVENUE.

Sjt. R. K. Setu Singh, B. A., Sub-Deputy Collector, was Land Revenue Officer throughout the year and he held the charge of Paddy Collection work in addition to this work. Sjt. Praphulla Chandra Chatterjee, B. A., Sub-Deputy Collector, was Land Settlement Officer. The charge of the office was common to both the officers, but its management was entrusted to the Land Settlement Officer.

Sjt. Ch. Lala Singh, B. A., was appointed assistant Sub-Deputy Collector on 11-1-44.

The Field Staff remained at 5 Kanungoes and 31 Amins. In addition to their ordinary duties they were engaged in measurement of houses occupied by the military and the assessment of rental thereon.

In the Daryabadi survey 3,025 bighas (2,318 acres) of land were measured, 6,70,914 bighas (2,21,789 acres) of land were already under rayatwari settlement.

The Collection Staff remained unchanged up to 31-12-44 at 5 Lakpas, 5 clerks, 25 mohorirs and 43 peons and a temporary staff of 10 mohorirs and 25 peons. Due to the introduction of Tahshil system (vide D. R. No. 12 of 29-11-45), since 1-1-45 the collection staff has been running with 5 Tahshildars, 5 clerks, 36 mohorirs and 73 peons, the temporary staff being abolished.

The rates of assessment of land revenue has been doubled vide (D. R. No. 19 of 28-3-45). The percentage of current revenue collection in the valley during the year was 73.094 receipts excluding Rs. 5,268/- credited after the year closed, totalled Rs. 8,94,042 and comprised Rs. 1,27,726 of arrear demand and Rs. 7,66,316 of the current demand, Rs. 42,036 of arrear demand and Rs. 18,687 of the current demand being remitted as irrecoverable and further Rs. 11,399 on account of damage to crops by flood and Rs. 1,15,658 on account of A. R. M. area. Remission thus totalled Rs. 1,87,780.

Sale cases in respect of 44,456 defaulting estates were instituted in order to realise Rs. 1,31,852. Of this amount Rs. 60,526 was realised

before the date of sale and Rs. 17,287 by sale, Rs. 16,620 being remitted as irrecoverable. During the year sale cases in respect of 32,002 estates were disposed of and cases in respect of 12,454 remained pending. Land settlement cases for disposal numbered 30,587, of this 5,384 were finished and 25,203 remained pending. The figures of case work are given in appendices V, VI and VII and of land revenue collection in Appendix XI.

CHAPTER III—PROTECTION.

THE MANIPUR STATE MILITARY POLICE.

During the year under report Mr. T. V. Clark, I. P., continued to hold charge of the S. M. P. Department up to 7. 8. 44 and Mr. J. A. Edward, I. A detail of the force is attached.

The total cost*of the maintenance of the force was Rs. 51,519/3/6.

THE CIVIL POLICE DEPARTMENT.

Mr. T. V. Clark, I. P., Superintendent of Police, Manipur State, held the charge of the Civil Police Department from the beginning of the year under review until 7. 8. 44, Mr. J. A. Edwards, I. P., from 8. 8. 44 to 21. 11. 44, Mr. S. J. Duncan from 22. 11. 44 to 16. 1. 45 and Mr. G. A. Webster, I. P., from 17. 1. 45 up to the end of the year.

The sanctioned strength of the force were 1 Inspector, 4 Sub-Inspectors, 8 Asst. Sub-Inspectors, 1 Station-Writer and Pound Keeper, and 67 constables. Besides this there were 2 Sub-Inspectors, 12 Asst. Sub-Inspectors, 4 Literate constables and 4 constables temporarily employed throughout the year as in the previous year.

There were also 238 village chowkidars (10 of them in Jiribam) giving a ratio of police, including chowkidars, to population of one to 1001.95. In addition to the police stations—one at Imphal, one at Jiribam, and another at Thoubal, a fourth police station was opened on 4. 9. 44 at Moirang. A police out-post was opened at Mayang-Imphal in January, 1945 to assist the new Revenue Tahsil. The ultimate object is to open a police station as soon as necessary buildings are ready. Another out-post was also opened at Bishenpur at the same time for the same purpose and it is intended that when buildings are complete, Moirang P. S. will move to Bishenpur. One Police out-post was opened at Mao during

February, 1945 and another at Pallel in July, 1945 to control civilian traffic on Dimapur Manipur Road as well as on Burma Road.

Of the total cost of Rs. 1,35,585-4-3, a sum of Rs. 76,825-11-0 was spent on Establishment pay, Rs. 13,135-13-0 on pay of temporary Establishment, Rs. 17,291-0-0 on pay of the S. P., Rs. 2,301-2-0 on Travelling Allowance of Establishment, Rs. 812-12-0 on the Travelling Allowance of the S. P. and Rs. 25,218-14-3 on contingencies.

Two appendices are enclosed giving particulars of crimes committed during the year and of the work done by the Police to suppress crime.

JUDICIAL.

In the year ending 30th June, 1945, Srijut Rajkumar Bhaskar Singh was in charge of this department up to 7-1-45. Srijut Kamakhayaram Barooah, B. A., B. L., joined his post as the Chairman of the Chief Court on 8-1-45 and held charge of the department from that date up to the end of the year. Srijut Samarendra Singh, B. A., who acted as a Judge of the Chief Court up to 7-1-45 reverted to the post of a Darbar Member after that date.

2. Srijut Mayurdhwaja Singh, who was President of Cheirap Court, died on 21-9-44. Srijut Nildhwaja Singh was appointed President of that court in his place. Srijut Thambal Singh, B. A., B. L., who was formerly member of the Sadar Panchayet Court was appointed a member of Cheirap Court. Srijut Kharaba Singh, Subedar of S. M. Police, was appointed by the Appointments Board to be a member of the Sadar Panchayet Court in place of Srijut Thambal Singh. The Sadar Panchayet Court have been empowered to try civil cases up to the value of Rs. 1000/- as a temporary measure, vide D. R. No. 11 of 8.11.44.

3. There was a great increase in the work of this department during the year. In no previous year had the number of cases in each of the Chief, Cheirap and Sadar Panchayet Courts risen to such high figures. All the courts had to work harder to cope with the situation. In the case of Cheirap Court specially the members had to work exceedingly hard and yet the number of cases in this court has continued to be very high. The attached annual figures will show the work done by each court in the year. The conditions under which the courts worked were very difficult and the accumulation of arrears was largely unavoidable.

4. The Foreigners' Panchayet at Kangpokpi did not function after it had stopped work in consequence of the enemy action and it is felt that the present circumstances do not demand its re-establishment. Some of the rural panchayets suffered heavily from the disturbances due to enemy action and they sustained great losses by destruction or extensive damage to their houses, furniture, records of cases and registers etc. It is highly creditable that in case of some panchayets some records, registers and furniture were saved by the members of the staff even at great personal risks. The total of the losses sustained by the Panchayets is roughly

estimated at Rs. 50,000/-. All the Panchayets have reopened the registers and as far as possible tried to reconstruct the old ones from available materials.

5. The posts of a registrar, a typist and three additional chaprassis were created in the office of the Chief Court with effect from 1.6.45 (vide D. R. No. 23 of 25.4.45). Srijut Rajkumar Nilmani Singh was promoted to the post of the Registrar.

6. During the year the Chief Court sat on 249 days. Srijut K. R. Barooah was out on tour for 4 days, Srijut R. K. Bhaskar Singh for 13 days and Srijut L. Iboongohal Singh, B. A., B. L., for 16 days.

7. Proposals were submitted to the Darbar for reforms involving changes in the constitution and jurisdiction of the courts and the salaries of the members. These are under the consideration of His Highness.

JAIL.

CHAPTER IV—PRODUCTION.

ARTS & CRAFTS

The Arts & Crafts Department has been defunct since May 10, 1942 due to enemy action. The Office building was destroyed during the first bombing of Imphal at which records, equipment, and everything were completely destroyed. Mr. T. A. Sharpe, I. C. S., the then President reconstructed its accounts with great difficulty.

The Department was reorganised in January 1945 and the Office was housed in a room of the Land Revenue Office building. Sjt. A. Ibotomcha Singh, B. A., B. L., held charge of the department and became the Textile Commissioner of Manipur. It was started with a small staff. Sjt. Y. Nilamani Singh was the only clerk having previous experience of the Arts & Crafts Office. His services as the head clerk were of much assistance in running the Department which dealt solely with the handling of textiles. It was not possible for the Department to manufacture and produce Hand Loom products as in pre-war days, owing to lack of yarn.

Accounts of the Department were debited to the M. M. Budget as there was not a separate Budget Head for it during the period under report. The total amount for drawal from the State was Rs 1,34,752/14/2 against a credit of Rs 94,008/1/5, big advances lying with the Procuring Agents of cloths and yarn.

PRESS & LIBRARY.

During the year under review Sjt. W. Yumjao Singh, Member in charge of the State Press, retired by the end of February, 1944 and Sjt. M. Radhamohan Singh, B. A., Offg. Member, M. S. D., took over charge of the Press. Sjt. L. Gopal Singh, B. A., continued to work as Superintendent of the Press, throughout the year.

The machinery consists of one Wharfedale printing machine and other machines for cutting, ruling, paging and perforating.

In addition to the usual routine works, the State Press did many printing works for A. R. M., Manipur State War Front, Post Office Small Savings Scheme, Army and Government at short notices. In consequence, some 16,000 text books could only be printed. A large educational programme for supply of thousands of School books is still lying unattended to.

Shortage of Press requisites, stringent paper position and wartime curtailment of office working hours hampered the progress of Press works. It is however noticed that a steady progress was maintained. As the duplicating machine is not in workable condition, it could not supplement the Printing Press. Application of electric power to the printing machine and maintenance of a second machine were considered necessary.

Towards the later part of the year the machine and binding sections began working daily from 8-30 A. M. on week days to meet the increasing demand.

Private works brought in a sum of Rs 469/8/6 only.

ARCHAEOLOGY.

Manipur having been an operational area, it was not possible for Sjt. Yumjao Singh to continue his investigations into the past history of the State or his excavations at Shangaithen.

FORESTRY.

Charge :— Sreejut Arambam Iboongotomcha Singh, B. A., B. L., Member, Manipur State Darbar, continued to hold charge of the Forest Department throughout the year under report. He was on tour for 22 days.

Sreejut R. K. Bijoychandra Singh, B. A., D. D. R., continued to hold charge of the post of the State Forest Officer in his officiating capacity throughout the year under report. He was on tour for 52 days.

Sreejnt Moirangthem Gunamani Singh continued to hold charge of the Jirimukh Range Office in his officiating capacity as the Range Officer throughout the year under report.

Cases :— There were 17 cases pending at the beginning of the year and during the year under report 818 cases were filed and reported. Out of these cases 797 cases were disposed of and 38 cases remained pending in the evening of 30th June, 1945. Over and above these there were 22 Offence Reports pending at the beginning of the year and 243 Offence Reports were reported during the year under report. Out of these Offence Reports, 218 Offence Reports were disposed of and 47 Offence Reports remained pending. 40 Notices and 571 Parawanas were issued during the year under report. 2 Appeals were preferred against the order of the Forest Member, Manipur State Darbar.

Reserves :— No new State Forest Reserve was constituted during the year under report and there was no change in the working plan. But one proposal for reservation of the area from “ Khema Chingjin to Nongreng Chingjin ” has been submitted to the President, Manipur State Darbar (S. O.) for obtaining Darbar's sanction (vide Forest Office Memo No. 1645 W. F. / Org. dated 14-2-45), but final sanction has not been accorded. Certain Blocks in the Kanglatongbi Kangpokpi Reserve were leased out to the contractors of L. P. O. No. 6 on his recommendation to cut fire-wood on payment of fixed rate of royalty and monopoly fee. Permits to cut bullies and timbers from certain State Reserved Forests were issued on payment of royalty and monopoly fee. The collection from this head including the sale of fuel coupes was Rs. 75,304-8-6 as against the sum of Rs. 9,745-15-0 collected during the previous year.

Grass Mahals :— The system of assessing the valley village land and the fishery as grass mahal still continued during the year under report. In most cases the boundaries of grass mahals coincide with those of the village lands and fisheries. The royalty on grass is thus realised by an out-right sale i. e. by auctioning the mahals individually. The sale proceeds were Rs 1,10,987-8-0 as against the previous year's Rs. 19,343/-. Out of this amount, the Manipur State Darbar has kindly remitted a sum Rs. 13,865-8-0 on account of the estimated sale proceeds of those grass mahals requisitioned by the A. R. M. for rebuilding the houses of those civilians whose houses had been destroyed during the last enemy invasion. A sum of Rs. 10,813-0-0 remained uncollected during the year under report.

Toll Stations :— Running departmentally of two toll stations namely Sekmai and Sawombung continued as reported in the previous year. The collection from this head including the collection from Sekmai and Sawombung Toll Stations (the total collection of these two Toll Stations being Rs. 27,903-5-9) and the balanced amount of

Rs 402/- which remained uncollected during the previous year was Rs 39,271-5-9 as against the sum of Rs 7,423/- collected during the previous year.

Jiri-Borak Forests :— The Jiri-Borak Forests continued to be run by the State through her own Forest Department. The royalty received from the Divisional Forest Officer, Cachar Division, on account of the $\frac{3}{4}$ share of the royalty collected by him on the Forest produce of Jiri-Borak Forests was Rs. 5,112-2-0 as against the sum of Rs. 5,977-2-0 remitted in the previous year. The royalty collected at Jirimukh Range Office and Jirighat Beat Office was Rs. 26,641-0-0 as against the sum of Rs. 22,119-2-11 only collected in the previous year.

Monopoly :— Jade mine remained unsold as before. The collection under this head was Rs. 1,370-0-0 including the arrear balance of Rs. 300-0-0 which remained uncollected during the previous year as against Rs. 1,155-0-0 collected during the previous year.

Lime-pits :— The Manipuri lime pits were sold on monopoly basis as stated in the previous year. The sale proceeds of this monopoly was Rs. 6,375/- including the sum of Rs. 1,275/- which remained uncollected as balance during the previous year as against the sum of Rs. 3,825/- collected during the previous year.

Misc. Forest Revenue :— Permits to cut bullies and timbers from the unclassified State Forests in the valley (i. e. Khas lands) were issued on payment of royalty and monopoly fees and surcharge fees on Forest produce extracted from settled land also were realised according to the schedule rates. The revenue thus collected from this head during the year under report amounted to Rs. 21,568-3-0 as against the sum of Rs. 26,150-0-6 collected in the previous year.

Compounding Fee :— Many reports were submitted by the patrolling Foresters and the Foresters who were in charge of certain Reserved Forests regarding illicit cutting of Forest produce. The cases of those accused who were willing to compound their cases, were compounded and the compounding fee so realised amounted to Rs. 5,726-4-6 as against the sum of Rs. 2,760-0-6 collected during the previous year.

Tera Mahal :— So long Tera trees (Silk cotton trees) growing in the valley either in the Khas land or settled land were the royal tree (private property of His Highness the Maharajah) but by D. R. No. 22 of 30-7-41 those Tera trees growing in the Khas land have become the property of the State and are in charge of the Forest Department. Since then the right of cutting Tera fruits from each Mahal—the whole of the valley being divided into many mahals to coincide with each village in most cases, is sold annually by public auction. The total sum of revenue collected from this head amounted to Rs. 1,477-0-0 as against the sum of Rs 1,139-0-0 collected in the previous year.

Receipts and Expenditure :—The total sum of Forest Revenue collected during the year under report was Rs. 2,72,089-5-9 including salt revenue, house rent and collection from the Law and Justice etc. but a sum of Rs. 525-7-0 only from various sub heads was refunded and the actual expenditure was Rs. 12,828-11-3 including salt contingency.

Salt Revenue :—The revenue of Manipuri salt is realised by auctioning the salt wells individually. The salt revenue collected during the year under report was Rs. 1,977/- as against the sum of Rs. 1,992 - collected in the previous year.

A statement showing the collection of Forest and Salt Revenue for the year 1944-45 is enclosed herewith.

The low collection was due firstly to the assessee's having exhausted their earning in the year in which the tax was payable, secondly to their frequent shifting of residence which consequently made proceedings for realisation of taxes a lengthy business, thirdly to almost one and all assessee's appeal against the assessment, fourthly to the fact that serving of notices and realisation of taxes from the foreign merchants and contractors residing outside the state took much time and lastly to the Manipuri assessee's lack of knowledge of their liability for Income Tax as it was a new thing to them.

Rs. 515/8/- was collected as Fine and Process Fees. A sum of Rs. 649/8/- was collected as Court Fees.
